COLOR CODE:

For those not under color heading a letter following the variety name will indicate the color per the following code: Light Blue B-, White W, Pink P, Medium Blue B, White with marking WB or WR, Dark Blue or Purple B+, Reddish Violet R and Lavender Orchid L.

ORDERING:

The 2 $\frac{1}{4}$ " size are vigorous plants for repotting and growing on or for immediate sale, in bud or bloom if possible. Specify if you desire single or multi-grown plants. These pack in cartons of either 25 or 40.

The minimum order is one carton. **Varieties may be assorted with no more than 8 varieties per carton of 25 or 12 varieties per carton of 40.** **All plants are labeled.** When ordering please state if you want only the specific variety or if we may substitute when a variety is out of bloom or out of supply. 3" size pack 25 per carton, 4" at \$1.00 each pack 16 per carton, these are not indicated on price list but are available in most standard varieties.

Special quotations on lots of 1000 or more.

Credit extended to established customers.

SHIPPING:

All shipments are made by Railway Express or Air Freight collect. For winter shipments we use a double carton straw pack which we believe gives as much insulation protection as any method so far tried. On high value shipments we will prepay

protective signature service. On single carton orders the charge will be on the express bill if the consignee requests the service.

DAMAGE:

Cold damage sometimes takes several days to show up. At that time the plants will seem to wilt and probably turn black. Quite often cold damaged plants will seem to have been scorched or burned with hot water or spray material. Under conditions there is quite often a strong chemical odor.

In Case of damage, call Express Co. immediately and have him fill out joint inspection report, which is used for filing your claim. This Claim should be filed by you with your express agent promptly, then notify us.

GUARANTEE:

If you follow the above directions we will replace the shipment and wait for settlement from the Express Co. or their refusal letter.

We suggest, if possible, it is better to drive in and pick up your violets. Let us know what you want and when you will be here, we will have ready what we can pick out for you.

We are on McHenry Ave. just two blocks from Harrison Ave. (about 2450 block). Harrison Ave. is U.S. 52 west. We are in the suburb of Westwood, about five miles from downtown Cincinnati.
